Agile Coaching Master Class: Navigating the Toughest Cases

WHAT IT IS

The workshop expands the role of a Scrum Master into the broader perspective of an agile coach. We analyze the most challenging real-life cases, including those brought by participants, where a coach can add value but the way forward is not obvious.

AT A GLANCE

Duration	2 days (2 × up to 8 hours)
Audience	experienced Scrum Masters, agile coaches and their managers
Format	intensive workshop, in person or online (Zoom and Mural)
Language	English or Polish
Led by	Kate Hobler
PDUs (PMI)	14 for attendance

WHO IS IT FOR?

- You have a case nobody in the company can help you with.
- Your proven methods work in one team and trigger resistance in another.
- You work with people who value very different things than you do.
- For years you have been the most experienced person in the room.

WHAT PARTICIPANTS TAKE AWAY

After the training, the participant:

- leaves with a healthy doubt about what they knew, the kind that drives growth,
- understands where popular knowledge fails and how to really deal with the problem,
- can recognize which values drive a team or an organization and adapt their way of working,
- has a fresh view of their own difficult case and a plan for it,
- knows peers with whom to discuss such cases further.
