WHAT IT IS

Classic hourly consulting and goal-based consulting, in which we agree on a goal and a price for reaching it. We do not bring a slide deck we have already shown to ten other companies, and we help the organization change by itself rather than doing the work for it. List price: PLN 1,000 net per hour or PLN 8,000 net per day; volume discounts and discounts for NGOs are possible. If you need someone to take a position and do the work, ask us about interim management.

AT A GLANCE

Audience	organizations facing a problem no ready-made training solves
Confidentiality	NDA: the client's or ours
Led by	Kate Hobler

WHO IS IT FOR?

- There is a problem no ready-made training addresses.
- You tried on your own and keep ending up in the same place.
- You need an outsider who says what they see, free of internal politics.
- It is unclear whether you need training, a structural change or something else.

WHAT YOU GET

The client receives:

- a clearly named problem and the goal we are heading for,
- a plan of action agreed together, not delivered in a folder,
- people in the organization who can continue without us,
- an honest statement if someone else can help better.

PRICING

Priced after an initial conversation; the price depends on the number of people covered.

Prices are net, in PLN; VAT is not included. Offers in EUR or USD on request (plus 15% for exchange-rate risk and bank spread). Invoices are payable within 14 days.
