Change Management

WHAT IT IS

Support in leading change for managers, leaders, executive teams and organizational coaches. The goal is an organization able to change by itself, so that the next upheaval does not mean starting from scratch. We most often build on three methods: ADKAR, John Kotter's eight stages and Obeya. List price: PLN 1,000 net per hour; volume discounts and discounts for NGOs are possible.

AT A GLANCE

Audience	managers, leaders, executive teams, organizational coaches
Led by	Kate Hobler

WHO IS IT FOR?

- This is yet another change and little remained of the previous ones.
- The change came from the top and people wait for it to pass.
- You lead a change without a mandate or a budget.
- It is unclear in which area to start.

WHAT YOU GET

The client receives:

- an organization that continues the change after our work ends,
- a change team with its own competencies,
- change competencies spread across the organization, not locked in one team,
- a change that has stuck, not one that only succeeded on paper.

PRICING

Priced after an initial conversation; the price depends on the number of people covered.

Prices are net, in PLN; VAT is not included. Offers in EUR or USD on request (plus 15% for exchange-rate risk and bank spread). Invoices are payable within 14 days.
